

SOUNDS UNHEARD SUMMER INTENSIVE

19-23 JAN 2026

FOR STUDENT MUSICIANS OF ANY INSTRUMENT OR DISCIPLINE

A week of creative music-making for secondary school student musicians of any instrument, including composition & voice.

This January, Victorian secondary students are invited to join Speak Percussion for an intensive week of creative music-making inspired by our innovative and experimental projects.

Students will work with Speak Percussion's Artist in Residence, Aaron Wyatt on a new project combining his expertise in electronics, programming and composition. This work will feature the Federation Handbells, a unique instrument created and made in Victoria.

Participants will also have the opportunity to create their own works using the bells, their own instruments and a variety of unique percussion instruments.

This exciting week will lead to a performance at Darebin Arts Centre, featuring students' new works created during the week alongside a performance of Aaron's new work.

APPLY VIA QR CODE!
